Sir,

I have the honor to submit a very urgent request from Mr J G Tait, M A , Language Professor, that he may be granted Leave on Private Affairs for six months as from 17th inst (or from such date as he may avail himself of the same), he ~~being~~ having received bad news from Home that his father is seriously ill

By Article219 of the Mysore Service Regulations this may be granted and he will be entitled to half his average pay — which I understand is half his average pay for the last three years, 1898 - 1900

His appointment as Language Professor here dates from 14th March 1890, so that he will have completed 10 years and 9 months service before taking this leave , and the only leave he has had during all that period was for three months last year from 8th March to 10th June, which by his own application as well as mine subsequently the Government was requested to sanction as Privile Leave on half pay in accordance with Article 203 of the Mysore Service Regulations, as the case was one of urgent necessity

If orders are passed in accordance with that request, then the leave now asked for may be granted as Furlough on the usual conditions - half his average pay for the past three years, 1898 - 1900 I hope that this may be granted in case he should find it necessary to extend the leave beyond the period of six months, now asked for, as the case is very urgent

I request that you may communicate by telegr with the Acting Dewan, who is now, I understand, in Ooty

I shall submit my proposals with regard to the teaching

Copy to Comptroller to the Govt of Mysore, with the intimation that Mr Tait returned to duty on the forenoon of the 12th June 1900, on which latter date the Central Coll re-opened after Midsummer holidays. The 4 days from the 8th to the 11th June, during which Mr Tait overstayed his leave, is sanctioned as a special case as the period came within the Annual vacation when no duties had to be performed

Copies of the above are forwarded

This was not a matter in which delay should have been allowed to occur. Mr Tait went on leave & returned from it several months back. And yet, the Comptroller was not consulted & the leave regularised until a second application for leave was received. This delay must not happen again. Intimate accordingly to the Secretariat.

I put this aboard with the above Notification

Sir,

With reference to my letter No. 295 dated 7th Jan 1901, and Government Order No 879 Ed 316, dated 10 January 1901, granting six months' leave on Furlough to Mr J G Tait, M A, I have the honor to submit the following proposals with reference to the teaching arrangements in the College during Mr Tait's absence -

1 That I shall myself take the share of the English teaching which would have fallen to Mr Tait

2 That the Science teaching which will ordinarily fall to be done by me be provided for in the same way as was done during the three months' absence on Privilege leave which I had last year and which was found to work very satisfactorily, viz,

   1 that Mr B Venkatesha Char, M A be appointed acting Lecturer in Physical Science on Rs 150/- per mensem

   2 that Mr C M Vijayaraghava Char, B A, Lecturer in Chemistry, be granted an allowance of Rs 75/- per mensem

   3 that Mr B Venkatanarappa, B A, Physics Assistant be granted an allowance of Rs 50/- per mensem

This is the simplest and likely to prove the most satisfactory arrangement of the teaching that I can propose and as I have every reason to believe that it will work satisfactorily, I have the honor to request that the Government may be pleased

to sanction the same as from the 18th inst , the date from which
r Tait's leave begins
